## Races in the Kalahari

- ▶ The woman on the left is of north European ancestry
- ▶ The two women in the middle are Herero
- ▶ The couple on the right are Bushmen

# Bushmen

This is a mother and her four children. They are roasting and eating Mongongo nuts, a staple of their diet.

## Bushman Hunter

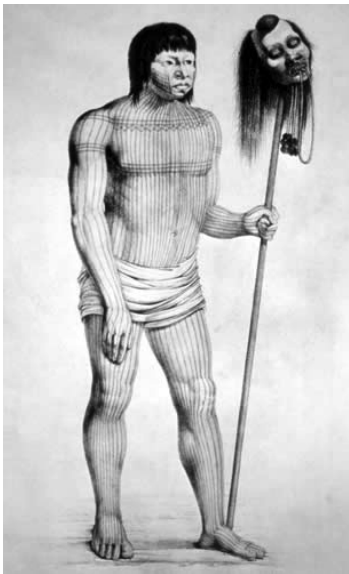

A hunter stops for some water

## Poison Arrows

He is putting fresh arrow poison on his collection of arrows. These have reed shafts with points hammered from heavy lengths of wire.

## Fellow with head

Historically the Mundurucu were fierce headhunters.

# Tourist kid?

Gaudy males

## Terrifying the Women

Terrifying mysterious sounds from the forest
